Sir,

Sub: Establishment - Agriculture - Madras Inferior Service Office of the District Agricultural officers - Additional peons - continuance - requested.

Ref: G.O. ms. 1541 Development department dated 24.3.49.

*****

The sanction accorded for the employment of 24 additional peons at the rate on one for each District Agricultural officer in the G.O. cited above expires by 31.3.50.

2. Each District Agricultural officer is now having 3 peons inclusive of this temporary peon sanctioned in the G.O. referred to above. One peon is for the most part of a month on tour with the District Agricultural officer and another is sent on treasury duty almost daily as there are heavy cash transactions. A third peon istherefore absolutely essential to attend to such work as bringing of tappals and railway parcels delivery of local tappals and other office routine work.

3. I therefore request that sanction may be accorded for the continuance of the above 24 posts for one more year from 1.4.50.

sd. M. Kanthiraj,
for Director of Agriculture.
